

WORLD PEACE TOUR MOROCCO

Come feel the real taste of the perfect synthesis
between art, nature, history and humanity

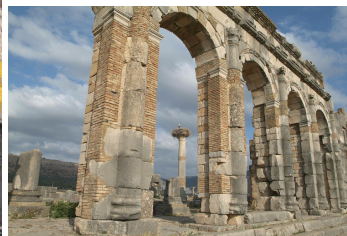

From the past.....

A traditional sunset in the deep Sahara

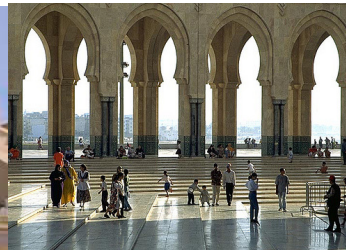

the traditional skin painting in Fez

the ruins of the Roman town of Volubilis

To the III millennium

Morocco

A Mediterranean country, the Kingdom of Morocco is the most western country in North Africa, with a western coastline along the Atlantic Ocean that turns at the Straits of Gibraltar just below Spain and continues along the Mediterranean Sea.

Main Program Features

A 14 day program organized as follows:

- 2 days for International flights from the USA (not included in package)
- 8 days touring Morocco – experiencing its prominent sites, its culture, and its people
- 4 day free stay in the Imperial town of Marrakech, for a total of 12 days

The Marrakech residential module at the end of the journey can be up-graded with either of the following two options:

Option A) - a taste of Spain: the Canary Islands

Option B) - the deep Sahara

VIAJES VENECAN SL – LIC IC 564 – Puerto de la Cruz, S. Cruz Tenerife, Islas Canarias - España

Interaction with Local Population

- During the 8 day itinerary, we will visit a remote mountain village and interact with the local people of the village.
- While in Marrakech, we will have an in depth experience of Morocco's culture by taking part in a 'fiesta.'
- During the Canary Island "Taste of Spain" option, we will meet with the people of a small village in the tallest mountain of Tenerife Island.
- The "Deep Sahara" option will include a visit to a 'magic village' and immersion with the Sub-Saharan inhabitants of the village.

DETAILED PROGRAM
